Expenses	\$42,682,269
Operating Deficit	\$7,202,923
Accumulated Deficit	

If the amount you are entering for institutional finances does not match the specified line on the IPEDS report, please provide an explanation here.

The operating deficit does not include revenues from the state and property taxes. Including these would result in a positive net operating amount. An accumulated deficit is not included due to the positive net operating amount that results from inclusion of state and property taxes.

Default Rate: Please upload your institution's Cohort Default Rate history list from the USDE's National Student Loan Data System (NSLDS) website.

Please Note: This does require the use of your institution's FSA ID to access this data.
