
TUITION AND FEES

It is the Administrative policy of the Southwestern Oregon Community College District that tuition shall be assessed for each credit hour of enrollment in credit courses according to the tuition schedule that follows.

Tuition shall be adjusted for inflation by the July-to-July change in the consumer price index (Portland-Salem CPI-U) rounded to nearest dollar. A copy of the revised tuition schedule will be forwarded to the Board of Education for review during the January Board of Education meeting. A CPI adjustment to tuition does not prevent the Board of Education from considering and approving other changes in the tuition schedule.

A registration fee for a special credit class (see Administrative Policies & Procedures 9.026 - Registration Fees) may be charged in lieu of tuition.
