G146, 207, 221, 246
MTH105, 111, 112, 212, 213, 231, 232, 241, 242, 243, 244, 251, 252, 253, 254, 255, 256, 260, 264

ELECTIVE COURSES

ELECTIVES

Any college level course that brings total credits 90 quarter hours, **excluding Career and Technical Education courses.**

Maximum of nine (9) credits for any PE185 may be applied.
Three credits of PE185 may be granted for completion of military basic training. A copy of military transcript or DD-214 is required.

Courses number 199/299 will qualify as elective credit only.

Maximum of 45 credits for basic, developmental, or supportive courses under federal financial aid guidelines.
*All Honors courses may substitute for their equivalent requirements.
