

CERTIFICATE OF COMPLETION COMPUTER INFORMATION SYSTEMS

The Certificate of Completion Computer Information Systems is a student-designed one-year certificate that includes the first year of the Computer Information Systems and Information Technology core courses. This certificate is intended for students focused on becoming career ready in one year. The core courses give the student a well-rounded basic understanding of technical support of computer information systems in a networked environment. Students completing this certification will be prepared to seek entry-level employment in occupations such as network support specialist or technical support specialist.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of this program the student will be able to:

- Demonstrate a basic knowledge of computer information systems.
- Apply technical skills to implement and maintain computer and network systems solutions and troubleshoot computer and network problems on an entry-level.

GRADUATION REQUIREMENTS

Students must complete a minimum of 48 credit hours with a minimum Grade Point Average (GPA) of 2.0 or better. All courses must be passed with a grade of 'C' or better. One course must be completed at Southwestern before the Certificate of Completion Computer Information Systems (CIS) degree is awarded.

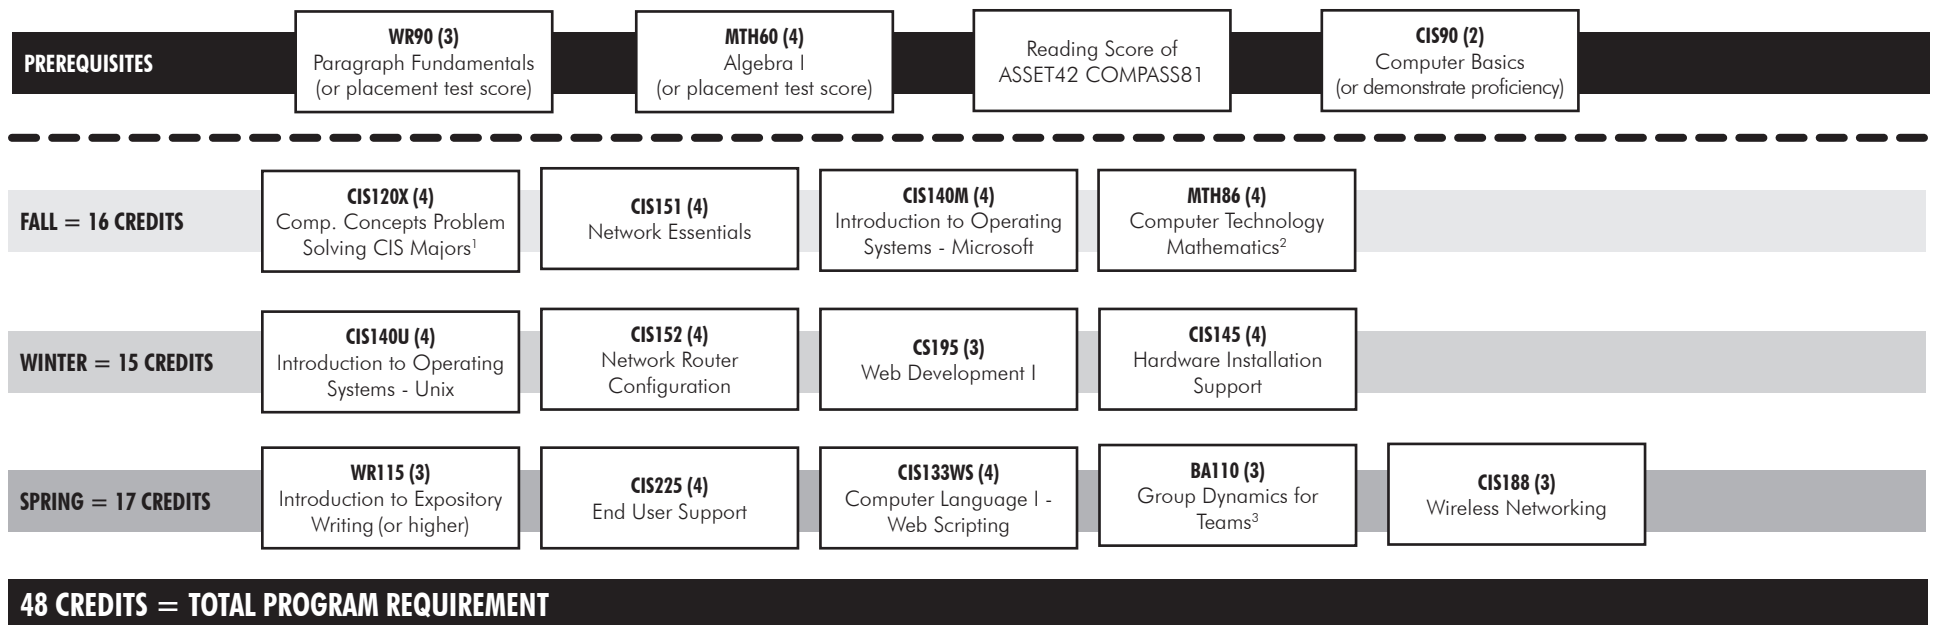

Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).

GAINFUL EMPLOYMENT DISCLOSURE

SWOCC is required by federal regulations to disclose information related to SWOCC's educational programs that lead to gainful employment in a recognized occupation. This information is intended to provide students the opportunity to measure employment outcomes associated with SWOCC's certificate programs.

Gainful employment information can be found online at socc.edu/images/ge/cis.html.
