

Core Themes

2010-2011 to 2019-2020

2012-2013 to 2019-2020

Learning and Achievement

Learning and Achievement is at the core of the College Mission focusing on aspects of student achievement and success.

Access

Access is an essential element of the mission for Southwestern to provide learning opportunities that meet current and future educational needs of students and the communities it serves.

Community Engagement

The College supports the building of strong partnerships and provides opportunities for the staff and community to participate in diverse activities and events.

Sustainability

Sustainability is represented by the statement meeting the needs of today without sacrificing the needs of the future. Southwestern recognizes that a strong infrastructure of all resources supports all the other Core Themes to achieve solid instructional and student services programs. Southwestern is dedicated to sustaining all of our resources: human, fiscal, technological, and physical.

2010-2011 to 2012-2013

Access

Access is the pathway to learning opportunities for students and the community members through support services and diverse delivery methods.

Learning and Achievement

Student learning and student achievement are at the core of the College Mission by emphasizing quality teaching; quality learning; quality course and program design; retention; persistence; completion; graduation and/or transfer.

Innovation & Sustainability

Innovation and sustainability embodies prudent and enduring resource stewardship, augmented by innovative resource development endeavors, to sustain a strong fiscal, human, physical, and technological infrastructure for a supportive learning, living, and working environment.

Community Engagement

Community engagement is the means to build strong partnerships and provides opportunities for the community to participate in diverse activities and events.
