Decreases were seen in FTE generated by full-time student enrollment. Program wise the largest decreases were in the AAS, AA, and AGS, with the exception of Curry which saw an increase in FTE in AA programs. The decrease in full-time FTE was offset by a slight increase in FTE generated by part-time students. Overall there was a slight increase in FTE generated by the Hispanic segment of our student population.</p>	All FTE	3390 – not achieved	Reimbursable FTE	3330 – not achieved	Full-time FTE	1926 – not achieved	Part-time FTE	820 – achieved	Program Area FTE (1B)	not achieved
