Core Theme and Objective	Innovation & Sustainability: Strong infrastructure of employees, technologies, and facilities			
Southwestern Strategic Plan Goal	Goal 5: Create the vision and structure for long-term college sustainability and growth. Goal 6: Support college growth through planning, budgeting, and assessment. Goal 7: Allocate resources to support continuous improvement for a strong infrastructure of employees, technologies, facilities, and educational programs..			
Achievement Overview and Analysis	The planned projects are selected each year during the development of the annual budget. Each year the target is to complete 100% of the identified projects with the allotted dollars but as new issues emerge that need immediate attention, planned projects are deferred with the unspent dollars moving to the new project. Therefore, the original planned projects are not all completed. In FY11 (2010-2011), eleven projects were planned but 9 were completed.			
Reporting Unit Goal	7.1: Provide and maintain a safe working, learning, and living environment			
Unit Objectives	7.1.a: Facilities long-term maintenance plan 7.1.b: Develop long-term desirable project list 7.1.c: Update Emergency Management (Crisis Management) plan 7.1.d: Focus on Safety Committee and Trainings 7.1.e: Increasing security measures			
Planned Accomplishments Institutional Reporting Unit Unit	Update Master Facilities Plan Research and install campus-wide video surveillance Research wireless door locks for entire campus operated by One Card			
Budget Impact and Budgetary Considerations	Using the unit plans and identified problems/challenges, the list of capital projects is developed during the budget development process. Adequate funds are identified for these planned projects.
