*"I love attending locally and seeing familiar faces coming to school. Financially I'm trying to figure out how to obtain my degree without access to financial aide because earning a degree will help my family in the long run in obtaining financial stability. Getting knowledge about how to obtain another means of going to college is vital and it seems those resources are extremely hard to come by."*

*"More than anything I appreciate the fact that faculty and staff have all been super supportive and they show that they believe in the students of Southwestern!"*
