
EXTERNAL FUNDING GRANTS AND CONTRACTS

It is the Administrative procedure of the Southwestern Oregon Community College District that the clerk or the deputy clerk of the District:

1. may file applications for grant funds from the federal, state, and private sector, or
2. may negotiate contracts subject to Board of Education approval.

Contracts and agreements authorizing the receipt and expenditures of funds shall be approved by the College Board when the amount of the grant or contract equals the requirements in Board Policy 6070 *Funding Proposals and Application*.

College staff may negotiate contracts for Board of Education approval that require the College to provide a product or a service. Oregon's Public Meeting Law shall apply for board approval of these contracts. The product or service may solely become the property of the entity with whom the College has the contract.
