

CERTIFICATE OF COMPLETION FOREST TECHNOLOGY

The Certificate of Completion Forest Technology can be completed within one year and is designed to prepare students for entry level employment in the forestry field in supervised positions such as forester aides, surveyor assistant, measurement technician, and field mapping aide. Some of the courses within the program include required courses for the AS degree in Forestry.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of this program the student will be able to:

- Discuss important forest management challenges and potential solutions
- Discuss characteristics of regional forests, field techniques, and management practices.
- Demonstrate basic skills in forest surveying, remote sensing, geographic information systems, and spreadsheet applications.

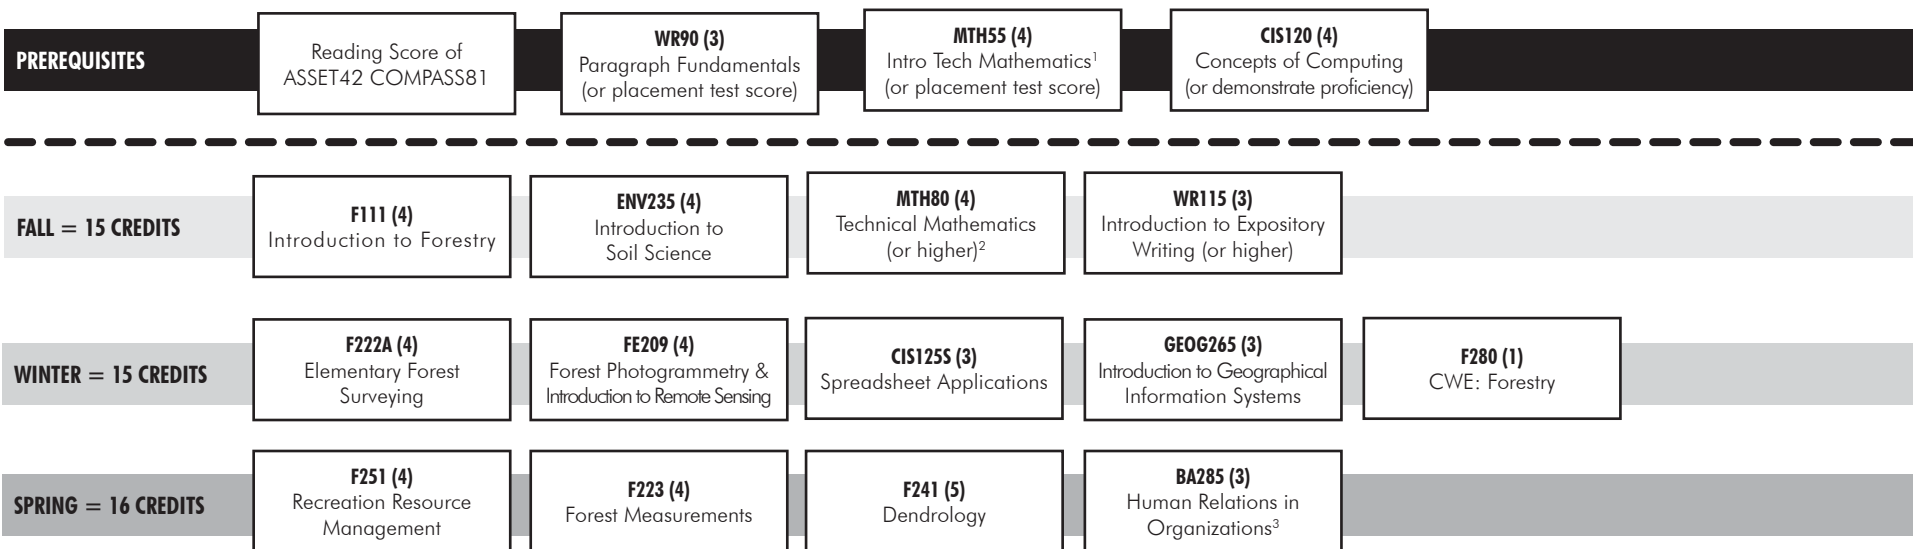

GRADUATION REQUIREMENTS

Students must complete a minimum of 46 credit hours with a minimum Grade Point Average (GPA) of 2.0 or better. All courses in this program must be completed with a 'C' or better. One course must be completed at SWOCC before the Certificate of Completion Forest Technology is awarded.

Complete the graduation application process one term prior to the term of completion (e.g., spring term graduates must apply during winter term).

Gainful employment information can be found online at <http://www.socc.edu/images/ge/forest.html>.
