

Housing – What You Need To Know!

WINTER TERM 2020-21

- January 2nd is the first day students are able to move into Housing.
- Students who did not live in Housing during Fall term should meet Housing Staff at the Lighthouse Depot. Please call 541-260-6996 if you arrive after 5pm on January 2nd.
- Students who lived in Housing during Fall should head to their apartment and follow the check in instructions found there.
- All students are expected to adhere to a quarantine period lasting until January 18th. Students may only leave their apartment to:
 - Attend an in person class,
 - Pick up meals from the cafeteria, or
 - Go to work.
- Face coverings are required whenever students leave their apartment. Consequences will follow for those who choose to not follow this requirement.
- Off campus visitors will not be allowed to stay overnight within the Student Housing Complex. Other guest visitation policies will be at the discretion of the individuals living in each apartment.

Definition of Terms

- **Isolation:** refers to individuals who test positive for COVID-19 and its purpose is to slow the spread of the disease by separating positive individuals from people who are not infected. Those in isolation will be moved to a different apartment for their isolation period.
- **Quarantine:** refers to individuals who may be exposed to a positive case, and its purpose is to slow the spread of the disease by separating and restricting the movement of individuals who were exposed to minimize the exposure of others and to monitor them if they become sick.
- **Guest:** anyone who does not live in your apartment. Even if somebody lives on campus or are on the same athletic team, but they do not live in your apartment, they are a guest.
