General Information

1. We will continue to require face coverings. Masks must be tightly fitting and correctly worn, covering both your nose and mouth, and are required every time you leave your apartment. For those who decide to not wear a mask while moving about outside of your apartment the following consequences are in place:
 1. First Offense – Verbal warning will be issued by Housing personnel and documented
 2. Second Offense – Written warning issued by Housing personnel with follow up conduct meeting
 3. Third Offense – Eviction from Housing. As per the "Public Health Informed Policies" section of the Room and Board Agreement, Southwestern Housing reserves the right to terminate housing contracts due to any public health concerns. Students will be given 24 hours to vacate their apartment.
2. Previous COVID cases in housing have been traced to off campus guests so please keep off campus visitors to a minimum. Other guest visitation policies will be at the discretion of the individual apartment and documented within the Roommate Agreement.
