

Stensland Hall

The custodian for your building is Ron Hubbard.

He is responsible for Stensland Hall and is on campus Monday – Friday 3:00 pm – 11:30 pm.

Custodians are responsible for maintaining the cleanliness and sanitation within your building of the following areas:

- Restrooms
- Hallways/entryways/lobbies
- Classrooms/Labs
- Public spaces
- Stairs
- Elevators

Individual offices are not on a regular cleaning schedule. If you need your trash or recycling emptied, you may place your receptacles outside your office door for the building custodian to collect.
